Sir,

CORRECTION OF INDEX NUMBER AND REQUEST FOR QUOTA ADJUSTMENT

We refer to our earlier submission presenting sixteen (16) candidates for the March 2026 MLT National Examination.

It has come to our attention that an error was made in the candidate list submitted. The index number for S/N 10 – SALISU IDIRIS was incorrectly stated. The correct index number is RST/46175.

In addition, upon accessing the registration portal, we observed that only fifteen (15) candidates were allocated to our institution instead of the expected sixteen (16). We believe this may be related to the above-mentioned error.

We kindly request that the index number be corrected in your records and that the portal quota be adjusted to reflect the full sixteen (16) candidates.

We regret the oversight and appreciate your prompt assistance.

Yours faithfully,

Mls. Ibrahim Lawali
